OBJECTIVE

Motivated and dedicated front-end web developer with a strong educational background in computer science. Committed to delivering high-quality work while continuously seeking growth and improvement. Skilled in HTML, CSS, JavaScript, C, C++, and Python, with a passion for creating visually appealing and user-friendly websites. Additionally, I possess expertise in Unity and Vuforia software, and I have a proven track record of creating engaging Augmented Reality (AR) applications. I am passionate about pushing the boundaries of technology and delivering innovative solutions. I am seeking a challenging role to contribute to a dynamic team and drive success through creative web development and AR solutions.

EDUCATION

Vellore Institute of Technology, Vellore, Tamil Nadu —
Bachelor of Technology in Computer Science Engineering

September 2022 - July 2026

Amity International School, Pushp Vihar, New Delhi —
CBSE (10+2)

June 2022

- Achieved an impressive score of 94%, demonstrating academic excellence
- Developed a strong foundation in various subjects, including mathematics and computer science

PROJECTS

Portfolio Website

Created a responsive portfolio website showcasing skills, projects, and achievements using HTML, CSS, and JavaScript.

SKILLS

- **Front-End Web Development:** Proficient in HTML, CSS, and JavaScript, with the ability to create engaging and responsive websites.
- **Programming Languages:** Skilled in C, C++, Java and Python, allowing for versatile problem-solving and coding expertise.
- **Familiar with Unity and Vuforia software** for creating AR applications
- **Fast Learner:** Adapt quickly to new technologies, methodologies, and concepts, ensuring seamless integration into dynamic work environments.
- **Smart Worker:** Employ critical thinking and problem-solving skills to optimize processes, maximize productivity, and deliver efficient results.

AWARDS

1 Star coder at CodeChef
